

Marketing & Design Retainers

Do you have the experts in place to produce quality material for your company? Or maybe you have only one designer and they are running on fumes trying to get all the work done? With Jane Dough's monthly marketing retainer plan, we lower your stress level by giving your company qualified designers, marketers and developers you can depend on—without the overhead of full-time employees.

- Your retainer includes a dedicated Project Manager that will assist you as much as you need.
- We can work with your Fractional CMO or Marketing Team
- We offer a discounted hourly rate for recurring work!
- You don't have to hire a full-time employee and pay extra benefits.
- A flat rate each month allows for easy budgeting.
- You also get a customized marketing calendar, providing your team with an outline of services for the month.

We are an extension of your Marketing Team!
